ROLES AND RESPONSIBILITIES

British Columbia Pension Corporation

The British Columbia Pension Corporation (Pension Corporation), which replaced the Superannuation Commission effective April 1, 2000, is responsible for administering pension benefits for the Members of the Legislative Assembly (MLA) Pension Plan. The plan is administered in accordance with the *Legislative Assembly Allowances* and *Pension Act*, Part 2, and related regulations.

The MLA Superannuation Account is an account within which contributions and interest accumulate and are invested to fund current and future pension benefits. When a member of the plan is granted a pension, the net present value of the pension is transferred to the Public Service Pension Fund, which pays the monthly pension.

British Columbia Investment Management Corporation

Effective January 1, 2000, the British Columbia Investment Management Corporation (bcIMC) replaced the Office of the Chief Investment Officer of the Ministry of Finance and Corporate Relations. The bcIMC is responsible for investment management on behalf of the MLA Superannuation Account.

MEMBER SERVICES

Members and Contributions

The *Legislative Assembly Allowances and Pension Act* was amended in July, 1995, to discontinue contributions and the accrual of benefit entitlements for service after June 19, 1996. Only service before June 19, 1996 will affect a plan member's pension or termination benefit.

Members of the Legislative Assembly may become plan members by purchasing service before June 19, 1996.

Termination Benefits

When a plan member ceases to be a Member of the Legislative Assembly, the member may elect to receive a refund of his or her share of contributions, plus the accumulated interest. Interest is credited to the member's contribution balance semi-annually and compounds semi-annually. The rate of interest is based on Bank of Canada average five-year personal term deposit rates.

FINANCIAL STATEMENTS

Report of the Auditor General of British Columbia

To the Chief Executive Officer
British Columbia Pension Corporation, and

To the Minister of Finance,
Province of British Columbia:

I have audited the statement of net assets of the *Members of the Legislative Assembly Superannuation Account* as at March 31, 2001 and the statement of changes in net assets for the year then ended. These financial statements are the responsibility of the British Columbia Pension Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the *Members of the Legislative Assembly Superannuation Account* as at March 31, 2001 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

MEMBERS OF THE LEGISLATIVE ASSEMBLY SUPERANNUATION ACCOUNT

ADMINISTRATOR'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of the Members of the Legislative Assembly Superannuation Account were prepared by the British Columbia Pension Corporation, the benefit administrator for the account. The corporation is responsible for the integrity and fairness of the data presented, including significant accounting judgements and estimates. This responsibility includes selecting appropriate accounting policies consistent with generally accepted accounting principles in Canada. Other financial information contained in the Annual Report for the Members of the Legislative Assembly Pension Plan conforms to these financial statements.

In discharging its responsibility for the integrity and fairness of the financial statements, the corporation maintains the internal controls necessary to provide reasonable assurance that relevant and reliable financial information is produced and that assets are properly safeguarded.

The Auditor General of British Columbia has performed an independent audit of the financial statements of the account in accordance with generally accepted auditing standards. The resulting audit opinion is set out in the Report of the Auditor General attached to these financial statements.

FINANCIAL STATEMENTS

MEMBERS OF THE LEGISLATIVE ASSEMBLY SUPERANNUATION ACCOUNT
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2001

1. THE MEMBERS OF THE LEGISLATIVE ASSEMBLY SUPERANNUATION ACCOUNT

The Members of the Legislative Assembly Superannuation Account (the account) established under Part 2 of the *Legislative Assembly Allowances and Pension Act* is administered by the British Columbia Pension Corporation (Pension Corporation).

When a member is granted a pension, the present value of the amount required to provide his or her future pension benefits is transferred from the account to the Public Service Pension Fund and monthly pensions are paid from that fund. The province provides additional funding when the present value of pensions granted exceeds accumulated assets available to fund those members' benefit entitlements in the plan.

2. DESCRIPTION OF THE MEMBERS OF THE LEGISLATIVE ASSEMBLY PENSION PLAN

The following brief description of the Members of the Legislative Assembly Pension Plan (the plan) is provided for general information only. For more information refer to the *Legislative Assembly Allowances and Pension Act*.

a) General

The plan is a contributory defined benefit pension plan for Members of the Legislative Assembly. The *Legislative Assembly Allowance and Pension Act* was amended in July 1995 to discontinue the accrual of benefit entitlements after June 19, 1996. Only member service prior to this date will be taken into account for determining a member's pension or termination benefit. A member's eligibility for a pension or termination benefit will be determined using all service as a member.

b) Roles and Responsibilities

The Pension Corporation provides benefit administration services for the account.

The British Columbia Investment Management Corporation (bcIMC) carries out the day to day investment management services for the account.

FINANCIAL STATEMENTS

MEMBERS OF THE LEGISLATIVE ASSEMBLY SUPERANNUATION ACCOUNT
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2001

2. DESCRIPTION OF THE MEMBERS OF THE LEGISLATIVE ASSEMBLY PENSION PLAN (continued)

c) Pension Benefits

A member of the plan is entitled to a pension after having served seven years or for more than two parliaments and:

- ceasing to be an MLA and attaining the age of 55; or
- ceasing to be an MLA and attaining an age plus years of service as an MLA totalling 60 or more years; or
- having reached the calendar year-end of the year in which the member becomes 69 years old.

The plan provides a pension of 5% per year of service, up to a maximum of 16 years service, of the average legislative allowance, special allowance and ministerial salary earned in the highest four years of service as an MLA, and as a minister or specified office holder.

Increases to pension payments are provided each January 1. These increases are based on the annual increase in the Consumer Price Index (CPI) as at the previous September 30, and are subject to availability of funds.

At January 1, 2001 pensioners received a full CPI increase of 2.7% (2000 - 2.6%).

d) Termination Benefits

A member of the plan who ceases to be an MLA may choose between leaving accumulated contributions on deposit or obtaining a refund of contributions with interest.

e) Other Benefits

Survivor benefits are available under the plan.

f) Income Taxes

The plan is a Registered Pension Plan as defined in the *Income Tax Act (Canada)* and is not subject to income taxes.

3. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Presentation

These financial statements present the aggregate financial position of the account as a separate financial reporting entity, independent of the account's contributing employer and members.

b) Investments

Investments are stated at market value. Market value is derived from external quotations or appraisals. Investment purchases and sales are recorded on trade date.

c) Investment Income

Investment income is recorded on the accrual basis.

4. INVESTMENTS (Market Value)

	2001	2000
	($ Thousands)	
Short-term	$ 592	$ 578
Canadian Bonds	2,057	2,240
Canadian Equities	1,115	1,146
	$3,764	$3,964

Pension account investments consist primarily of direct ownership in units of pooled investment portfolios, managed by the bcIMC. Each unit gives its holder a proportionate share in the equity of the pooled investment fund. One or more pooled investment portfolios exist for different types of investments, such as short-term investments, Canadian bonds and Canadian equities.

Short-term investments consist of Canadian money market securities, such as treasury bills, with terms of 15 months or less. Canadian bonds consist of government and corporate bonds and debentures. Equities consist primarily of publicly traded shares.

Canadian Equities	16	(232)	(216)	424
Net Investment Income	$192	$(167)	$ 25	$497

The income allocation portion of investment income represents pooled investment portfolio income attributable to the pension account, as a unitholder, and as calculated by the bcIMC, as well as any interest income from directly held investments. All income earned within a pooled investment portfolio is reinvested within the portfolio.

6. RELATED PARTY TRANSACTIONS

a) Transfers to the Public Service Pension Fund

	2001	2000
	($ Thousands)	
Accumulated assets available for pensions granted	$ 20	$559
Terminal funding from the Province of British Columbia	202	-
Present value of pensions granted	222	559
Indexing contributions	42	56
Total Transfer	$264	$615

When a member is granted a pension, the present value of the pension is transferred to the Public Service Pension Fund and monthly benefits are paid from that fund. The province provides additional funding in the year the pension is granted (terminal funding) when the present value of pensions granted exceeds accumulated assets available to fund those members' benefit entitlements in the plan. During the year ended March 31, 2001, 1 member (2000 - 2) was granted a pension.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2001

6. RELATED PARTY TRANSACTIONS (continued)

a) Transfers to the Public Service Pension Fund (continued)

The ten-year history of the present value of pensions granted is as follows:

	Accumulated Assets Available for Pensions Granted	Terminal Funding Received from the Province	Present Value of Pensions Granted
		($ Thousands)	
1992	2,765	6,417	9,182
1993	-	-	-
1994	193	412	605
1995	129	117	246
1996	-	-	-
1997	2,365	2,322	4,687
1998	-	-	-
1999	188	-	188
2000	559	-	559
2001	20	202	222

Under the *Legislative Assembly Allowances and Pension Act*, amounts contributed by members and the employer to help provide for the payment of indexing supplements are transferred each year from the account to the Public Service Pension Fund, from which the indexing supplements are paid.

b) Administrative Expenses and Investment Management Fees

Administrative expenses relating to the account were $70,318 for 2001 (2000 - $31,676). Internal investment management fees were $6,905 for 2001 (2000 - $5,324). Administrative expenses and investment management fees relating to the account were paid from the Public Service Pension Plan until December 31, 2000. Effective January 1, 2001, expenses will be paid by the Office of the Legislative Controller.

FINANCIAL STATEMENTS

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2001

7. ACTUARIAL VALUATION

An actuarial valuation of the plan is not required by the *Legislative Assembly Allowances and Pension Act* and a valuation has not been performed to date because the benefit obligation does not have a reasonable basis for measurement. To value the benefit, obligation assumptions would have to be made including those regarding the turnover, eligibility and retirement age of members. Pension eligibility and retirement of Members of the Legislative Assembly depends on election results and is not readily predictable.

8. SUBSEQUENT EVENT

As a result of the May 16, 2001 provincial election, a significant number of members will be granted a pension in the next year or so. The terminal funding for these pensions is currently estimated to be approximately $10 million and will depend on the timing of retirements.
